Soulmates by Holly Bourne - review | Children's books ...

Holly Bourne captured their relationship as a definition of real love. Poppy and Noah never imagined a force beyond their capabilities could be their love entranced by eye contact or as simply one touch. What I loved was the scientific aspect and concept of the novel.

---

REVIEW - SOULMATES by Holly Bourne | Never Judge a Book by ...

Holly Bourne says in the back of the book that Lizzie was her favourite character, and that definitely shows. She 's the only ' good friend ' Poppy has, and I loved how supportive she was, which was in complete contrast to Ruth.

Soulmates by Holly Bourne - review | Children's books ...

As Poppy and Noah find themselves in the midst of thunder and lightning, torrential rainfalls and sudden snowstorms, a secret international agency set out on their trail, to separate the soulmates before disaster strikes. Fans of young adult romance will be intrigued by Holly Bourne's debut novel.

Every so often, two people are born who are the perfect match for each other. Soulmates. But while the odds of this happening are about as likely as being struck by lightning, when these people do meet and fall in love, thunderstorms, lightning strikes and lashings of rain are only the beginning of their problems. After a chance meeting at a local band night, Poppy and Noah find themselves swept up in a whirlwind romance unlike anything they've ever experienced before. But with a secret international agency preparing to separate them and a trail of destruction rumbling in their wake, they are left with an impossible choice between the end of the world, or a life without love... "Warning: this book will demolish your heart as it has demolished mine." - CJ Skuse, Author of Rockaholic Shortlisted - UKYA Awards

Bree is a loser, a wannabe author who hides behind words. But when she's told she needs to start living a life worth writing about, *The Manifesto on How to Be Interesting* is born. Six steps on how to be interesting. Six steps that will see her infiltrate the popular set, fall in love with someone forbidden and make the biggest mistake of her life.

Evie, Amber and Lottie: three girls facing down tough issues with the combined powers of friendship, feminism and cheesy snacks. Both hilarious and heart-rending, this is Evie's no-holds-barred story of struggling to live a "normal" teen life in the grip of OCD, from the acclaimed author of *The Manifesto on How to be Interesting*. Read the first chapter of Holly Bourne's next book, *How Hard Can Love Be?* – EXCLUSIVE to the ebook. "An involving look at feminism, friendship and the secrets we hide even from those who know us best." - *The Observer* "An epic and unique release this summer that I plead you all to pick up! This novel has a distinct British feel with moments mixed with laughter, tainted with tears and bound with love. Holly Bourne has created a beautiful tale." - *Paper Trail YA* "This is not a novel about a condition: Evie's condition is that of being a contemporary young woman, and through her guerrilla feminist group with new soulmates Lottie and Amber (who will each get a novel to themselves shortly) she learns new pathways through life that all her peers can follow." - *The Observer* "This is quite easily Bourne's best novel yet. Might have been a tricky subject matter, but it was funny and heartbreaking and thought-provoking." - *An Awful Lot of Reading* "I love the Spinsters Club, and I so want my own! What I love is how Bourne breaks down these ideas so they are so accessible! ... There are a few feminist YA stories out at the moment, but this is the first I've read that actually talks about feminism and discusses how to be a feminist, and I think it really could be a game changer! And I am so happy! I am so, so happy and excited!" - *Once Upon a Bookcase* "This book was kind of astounding to me... I got through *Am I Normal Yet?* in one sitting" - *A Novel Youth* "It's not a book that I can find fault with because it was just written so perfectly and so carefully and sensitively. I just enjoyed it so much." - *Lucy the Reader* Holly Bourne is becoming something of a writing sensation in the world of Young Adult fiction... Using humour, high

emotion, compassion, sensitivity and some hard-hitting drama, Bourne creates a beautiful, resonant story that tackles serious issues with the lightest and sometimes darkest of touches, giving real and moving insights into what it means to be young, confused and isolated. - Lancashire Evening Post "My favourite YA book of 2015" - Words from a Reader

All Amber wants is a little bit of love. Her mum has never been the caring type, even before she moved to California, got remarried and had a personality transplant. But Amber 's hoping that spending the summer with her can change all that. And then there 's Kyle, the most American person Amber 's ever met. She can 't help liking him. But can he really be interested in her? Even with best friends Evie and Lottie 's advice, Amber 's finding love is hard. Is it worth the fight? " I'm a big Holly Bourne fan and this is my favourite yet. She writes with such humour and great honesty, with wonderfully relatable characters. It's also refreshing to see feminism highlighted in such a positive and relevant way for teenagers. " - Fiona Noble, The Bookseller " Bourne talks about feminism so openly and truthfully in her books and if you ever doubted the intelligence, ability or passion of teenage girls read her books and you never will again. " - Muchbooks reader review on Guardian Children's Books " Written with humour and warmth, Amber's story perfectly captures the emotional rollercoaster that is love: embracing all its joy and pain, whether it be for family, friends or a gorgeous boy. A really satisfying page turner. " - BookTrust " Emotive and thought provoking this searingly honest book deals with the biggest life lesson of all - nobody's perfect. " - South Wales Daily Post " Holly Bourne truly is the Queen of YA! " - Humaira Kauser, age 17, for LoveReading4Kids " Holly Bourne is hugely popular with the young adult audience. The second instalment in her Normal series tells Amber's story of first love, friendship and addiction. " - The Sunday Express " Holly Bourne 's new novel demonstrates that with the right female friends, and a decent supply of cheesy snacks, a girl can get through anything... Well-written and thoughtful, this has a thoroughly authentic twenty-first century teen voice and lightens serious issues with humour. " - LoveReading4Kids " When I received this book I let out a squeal... I really love this series. " - Lucy the Reader "Hysterical" - Mslexia "The story is equal parts hilarious and heart-wrenching... I cannot get over how many times I snorted out loud whilst reading this book. You ' ll have to read it to see for yourself" - Fable & Table " [Holly Bourne 's] writing style keeps me hooked, makes me feel things and genuinely makes me think hard about important issues. I cannot recommend her novels highly enough and I am on a mission to read them all! " - Adventures of a Teenage Bookworm

WHY BE YOURSELF WHEN YOU CAN BE PERFECT? \*\*As featured on The High Low podcast\*\* 'MAGNIFICENT. Brutally honest and righteously angry but still HUGELY enjoyable and engaging. I bow down!' Marian Keyes 'A thoughtful, intelligent, urgent novel women need to read.' Dolly Alderton The highly-anticipated new novel from Holly Bourne, bestselling author of HOW DO YOU LIKE ME NOW? \_\_\_\_\_ He said he was looking for a 'partner in crime' which everyone knows is shorthand for 'a woman who isn't real'. April is kind, pretty, and relatively normal - yet she can't seem to get past date five. Every time she thinks she's found someone to trust, they reveal themselves to be awful, leaving her heartbroken. And angry. If only April could be more like Gretel. Gretel is exactly what men want - she's a Regular Everyday Manic Pixie Dream Girl Next Door With No Problems. The problem is, Gretel isn't real. And April is now claiming to be her. As soon as April starts 'being' Gretel, dating becomes much more fun - especially once she reels in the unsuspecting Joshua. Finally, April is the one in control, but can she control her own feelings? And as she and Joshua grow closer, how long will she be able to keep pretending? \_\_\_\_\_ PRAISE FOR HOLLY BOURNE: 'Honest and unflinching' Stylist 'Funny, touching and painfully true' Grazia

## Read PDF Soulmates Holly Bourne

'Relatable for any woman navigating emotional time bombs' Red 'Bourne incinerates the lies we're all capable of telling ourselves' Emerald Street 'Funny, real and heartbreaking' Lucy Vine 'Funny, sad, honest, insightful, up-to-the-minute' Roisin Meaney 'Smart, witty and perceptive. Razor-sharp on friendship, self-image and self-deception' Lucy Diamond

The Breakfast Club meets One Day in *Floored*, a unique collaborative novel by seven bestselling and award-winning YA authors: Sara Barnard, Holly Bourne, Tanya Byrne, Non Pratt, Melinda Salisbury, Lisa Williamson and Eleanor Wood. When they got in the lift that morning, they were strangers. Sasha, who is at the UK's biggest TV centre desperately trying to deliver a parcel; Hugo, who knows he's by far the richest – and best-looking – guy in the lift; Velvet, who regrets wearing the world's least comfortable shoes to work experience; Dawson, who isn't the good-looking teen star he was and desperate not to be recognized; Kaitlyn, who's slowly losing her sight but won't admit it, and Joe, who shouldn't be there at all, but who wants to be there the most. And one more person, who will bring them together again on the same day every year . . .

Welcome to Camp Reset, a summer camp with a difference. A place offering a shot at *normality* for Olive, a girl on the edge, and for the new friends she never expected to make *who each have their own reasons for being there. Luckily Olive has a plan to solve all their problems. But how do you fix the world when you can't fix yourself? A raw and compelling exploration of mental health, friendship and the power of compassion from the acclaimed Holly Bourne.*

Evie, Amber and Lottie are having a New Year party to remember. For the first time since leaving college, all three girls are back together. It ' s time for fun and flirting, snogs and shots. Because everything ' s going great for these girls – Spinster Club for ever! Right?

Audrey gave up on romance before meeting aspiring filmmaker Harry at the cinema where they work, but soon they are deeply in love--and not like it is portrayed in movies.
