Stick and Rudder: An Explanation of the Art of Flying ...

I bought Stick and Rudder for my husband, a 21-year Air Force veteran (retired). He absolutely loves it! While flying an airplane is about as natural as walking to him, the explanations in Stick and Rudder still added insight to why the airplane does what it does. He thinks that it should be required reading for anyone even contemplating his first flying lesson. For anyone in love with flight ...
