Egypt Doodle bright and colourful Viking longship sails Bring dazzling medieval outfits to life Decorate picture frames in their art gallery Add propellers and paintwork to old and new planes Complete the solar system in their planetarium About Lonely Planet Kids: Come explore! Let's start an adventure. Lonely Planet Kids excites and educates children about the amazing world around them. Combining astonishing facts, quirky humour and eye-catching imagery, we ignite their curiosity and encourage them to discover more about our planet. Every book draws on our huge team of global experts to help share our continual fascination with what makes the world such a diverse and magnificent place - inspiring children at home and in school.

It's time for children to get creative with Lonely Planet Kids' Sticker World - Zoo. From creating a watery wonderland for penguins, to choosing which items are sold in the gift shop, kids can build the zoo of their dreams in this fun and interactive book. As chief planner, architect and builder, they can add colourful stickers and drawings to each page and bring their construction to life. Inside, kids can: Design a map so visitors don't get lost Choose where each animal lives Bring sharks and other sea creatures to life Create their own panda and give it a name Use stickers to feed hungry sea lions Draw underground tunnels for meerkats to explore Add ropes and swings to their gorilla enclosure Colour in leopards and other big cats Doodle baby animals and their parents Stock shelves with souvenirs in the gift shop About Lonely Planet Kids: Come explore! Let's start an adventure. Lonely Planet Kids excites and educates children about the amazing world around them. Combining astonishing facts, quirky humour and eye-catching imagery, we ignite their curiosity and encourage them to discover more about our planet. Every book draws on our huge team of global experts to help share our continual fascination with what makes the world such a diverse and magnificent place - inspiring children at home and in school.

Part doodle book, part sticker book, this fun and interactive title enables kids to create the museum of their dreams. By becoming a planner, architect and builder, they can add stickers and drawings to each page to gradually bring their museum to life. Create an amazing entrance, design your cafe and the food it sells, draw an exhibition poster, fill the picture frames with art, and much more.

Welcome to the greatest little museum in the world! 12 collectors, from toy makers and monster hunters, to sailors and archaeologists, have created their own themed cabinets and filled them with their favorite things. By peeking inside, kids can discover these 100 extraordinary objects and learn more about our planet's weird and wonderful history.

Take a trip through 86 of the world's greatest cities. A mix of photography, beautiful illustrations and hand drawn maps take readers on an incredible world tour. Each page is packed with facts on city living - from food and festivals to architecture and history. This stunning compendium of cities is the perfect gift for curious kids everywhere.
