"Shaken, not stirred" is a catchphrase of Ian Fleming's fictional British Secret Service agent James Bond and describes his preference for the preparation of his martini cocktail. The phrase first appears in the novel *Diamonds Are Forever*, though Bond himself does not actually say it until *Dr. No*, where his exact words are "shaken and not stirred." In the film

He was the first celebrity chef, the swashbuckling cook who crossed the high seas, on a BBC budget, communicating his love of food to millions of viewers. Make a wonderful dish and have a bloody good time: that was the criteria of Keith Floyd's mission (a mission that lasted several decades). Along the way he inspired a generation of men to get into the kitchen. After starting out in a hotel kitchen in Bristol, he made and lost fortunes, was married four times, and dealt with a level of fame that bemused him. Now, in his honest and revealing memoir, completed just before he died, Keith reflects on the ups and downs of his career. Above all, the much loved, often copied, Keith Floyd whooshes the reader through his adventures, from the hilarious to the downright lunatic. As irrepressible, funny and charming as Keith himself, Stirred But Not Shaken is a must-read for anyone who loves life, food, women . . . and a quick slurp.

This updated edition features recipes from the world's greatest mixologists, including 107 classic gin and vodka Martinis, more than 110 Modern Martinis, and a directory of the world's best Martini lounges Shaken Not Stirred® celebrates the Martini—the quintessential cocktail, the crowning jewel of civilized decadence. Historians and mixologists Anistatia Miller and Jared Brown revise their lists of classic Martini recipes and update their roster of modern Martinis— from the Espresso Martini to the Fresh Fruit Martini, from Cosmos to MarTEAnis—to suit current taste. They also provide eye-opening, never-before-published discoveries in their history of the cocktail in both America and Europe. Over the past fifteen years the way people think about and drink cocktails, especially Martinis, has been radically transformed. In this new edition, readers can hone their bar skills with tips from some of the world's finest mixologists. They can learn how to stock a topshelf home bar as well as make infusions and special garnishes. Partyplanning advice, fun bits of trivia, a few jokes and anecdotes, plus a

The author tells her story of surviving breast cancer and chemotherapy with humor.

This is a remarkable story of an everyday person who overcame a debilitating injury, reclaiming her life and dignity in the process. Joyce's life was disrupted by an auto accident, causing traumatic brain injury (TBI). When attempting to recover medical expenses she confronted a legal system that assaulted her on several levels, accusing her of "milking the insurance industry" while being sexually harassed by her own attorney! Read how her efforts led to the most significant changes in the rules in 25 years for the Georgia State Bar Association. You will learn her character consists of a positive mental attitude, refusal of victim status, faith perseverance, courage, fortitude, creativity, and humor. This is a story of triumph over tragedy, not a dry medical term filled book or a how-to-book. It is extremely inspirational for those with TBI, their loved ones and caregivers. "I knew Joyce Fahl was a winner from the first day I met her in 1986. Her can-do spirit led her to great success in real estate, and empowers her to overcome the challenges of Traumatic Brain Injury. Joyce is a living example of the power of positive thinking!" US Senator Johnny Isakson, Georgia "I loved it! Our heroine is the victor, despite the villains that abound in "TBI: Shaken, But Not Stirred." By the end of this page turner, she has overcome her challenges, beaten the legal system and broken the stereotypes that come with traumatic brain injury" Susan H. Connors, President/CEO, Brain Injury Association of America

This exciting, inspiring earthquake survival story tells the gripping true story of a music educator-turned-emergency medic during the Haitian earthquake.

Learn life lessons from the expertstwenty-five business leaders who made their marks but did so with a bit of a twist. In this series of profiles, author Stephen K. Troy takes a detailed look at people who walked down nontraditional paths to achieve success. Many of these leaders are no longer celebrated or remembered, but their achievements changed the course of business and continue to influence society. You'll learn about the unassuming billionaire who gave away his entire fortune during his lifetime to better the world. Not everyone was so generous; one scoundrel stole billions. Some are more obscure than others, and this text brings their accomplishments to light. Leaders profiled include Aaron Burr, Henry Ford, John Ringling, Robert Morris, Frank Woolworth, Forrest Mars Sr., Daniel Ludwig, Iva Kreuger and many more. Whether you are a student, a business leader, or someone considering a career in business, you'll be entertained, informed, and educated as you read Business Biographies: Shaken, Not Stirred With a Twist.

How do James Bond's X-ray glasses work, the ones he uses to see whether the lady at the roulette table has a pistol concealed in her underwear? Is it really possible to launch oneself into the air and catch up with a plane that is free-falling towards the earth? Or to shoot down a helicopter with a pistol? In this lively and informative book, Germany's boldest

physics professor Metin Tolan analyses the stunts and gadgets of the 007 films and even answers the question of all questions: Why does Bond drink his vodka martini shaken, not stirred? "So much entertaining science is a rare thing." Spiegel Online

Mohit came to Delhi from a small town to make it big. He is quite sorted, with a comfortable place to stay, a well-paying job, and a few friends and loved ones. Despite that, he is quite stirred by the way things happen in the city. When he bags a job in a multinational ad agency, he does not know that getting a job and keeping it are two very different ball games. Natasha is stunningly beautiful and overly ambitious, and their lives get entangled when she falls for him. But is this true love, or is there something more to it? Parvathi helps him and guides him through the maze that the workplace is. A dusky beauty with a free spirit, she feels love is an overrated emotion and all men are the same. When bosses and colleagues toss him around, it will take Mohit a lot more than just friends and love to stay Stirred But Not Shaken.

Every woman has that "aha" moment when things suddenly make sense. All of the ex-boyfriends, old jobs, former friends and anemic bank accounts. Those old "WTH" occurrences helped you to become the woman you are today. You tried so hard to disguise it, but even though the world saw you as this fierce, fly, fearless female who seemingly had it all together, beyond the faade you were about to fall apart. Meet Christian Cullen. She's a woman of many labels: entrepreneur, volunteer, daughter, sister, soror, friend and occasionally, significant other. She doesn't know it, but she's due for a breakthrough...and you get to be there when it happens. If you're in it for the long haul, maybe you can share in that breakthrough. So what is it that you need to do? Read her journal. Yes, you heard correctly, read her journal. It's alright, you're not eavesdropping...okay you kinda are but you're forgiven. This is honestly the best way to get to know her and to see who she really is. It's okay to laugh, life is a comedy of errors and God definitely has a sense of humor. Just try not to judge, she's only human. A woman in her thirties who's still coming of age, discovering her purpose, accepting her flaws and learning to simply let go and let God.

Humorous letters to various organizations and their replies.
