The Age of Empires (Francis Joannès) - book review

Later, around 2300 B.C.E., the Akkadians from northern Mesopotamia conquered the land. According to legends, King Sargon led the Akkadians and went on to become the first ruler of the Akkadian Empire. Sargon was both a strong king and a skilled general who built his empire through effective military strategies. After assembling a large army, he taught his soldiers to fight in tight formations.
