In the third book in the New York Times bestselling middle grade series inspired by the life of iconic New York Yankee Derek Jeter, Derek ' s father keeps his promise to coach his son ' s youth baseball team. Derek is sure this will be the best season yet! He has it all planned—his dad will have him start at shortstop, and the team will cruise to a championship. But sometimes life doesn ' t go according to plan. *Change Up* focuses on a key life lesson of Derek Jeter ' s Turn 2 Foundation—*Deal with Growing Pains*—in the series companion to *Hit & Miss* and *The Contract*, about which *The Wall Street Journal* said, “ the play by play action is exciting and the lessons many. ”

**NEW YORK TIMES BESTSELLER** “ Derek Jeter is undoubtedly the most talked about, argued about, cheered, booed and ultimately respected baseball player of his generation. And as public a figure as he has been, he is in many ways the least known. That changes now as Ian O ' Connor, one of the best sports writers anywhere, goes deep and does what no one has quite been able to do: Tell us a bit about who Derek Jeter really is. ” —Joe Posnanski, author of *The Machine* “Deftly told. ” —*The Washington Post* In *The Captain*, Ian O ' Connor draws on unique access to Derek Jeter and more than 200 new interviews to reveal how a biracial kid from Michigan became New York ' s most beloved sports figure and the face of the steroid-free athlete. O ' Connor takes us behind the scenes of a legendary baseball life, from Jeter ' s early struggles in the minor leagues, when homesickness and errors threatened a stillborn career, to the heady days of Yankee superiority and nightlife, to the battles with former best friend A-Rod. All along the way, Jeter has made his Hall-of-Fame destiny look easy. But behind that leadership and hero ' s grace there are hidden struggles and complexities that have never been explored, until now.

In the fifth book in the New York Times bestselling middle grade series inspired by the life of iconic New York Yankee Derek Jeter, Derek spends the summer with his grandparents in Pequannock Township, New Jersey. Sometimes, you were looking for role models. And sometimes, you were being one yourself. Derek is having the best summer yet! Fun on the lake with his cousins, baseball, and a visit from his best friend, Dave: what more could he ask for? It gets even better when Derek gets to go to a Yankees game and meets a bunch of kids who play ball near the stadium, and they ' re good. Awesome, actually, especially Jumbo and Tiny. Derek can ' t wait to introduce them to Dave, but Grandma says if he wants to go to another Yankees game, he ' ll have to earn some of the money for tickets himself. This means spending quality time with Grandpa mowing lawns and learning the meaning of hard work. Derek brings Dave to meet Tiny and Jumbo, whom Derek admires. But when Jumbo tries to convince Derek to do something he ' s sure will get him in trouble, Derek has to rethink who his role models are. Inspired by Derek Jeter ' s childhood, *Curveball* is the fifth book in Jeter Publishing ' s New York Times bestselling middle grade baseball series that focuses on key life lessons from Derek Jeter ' s Turn 2 Foundation.

An average kid with an above average talent for predicting baseball pitches tries to help his favorite player out of a slump in this entertaining novel from bestselling authors Tim Green and Derek Jeter. Jalen DeLuca loves baseball. Unfortunately his dad can ' t afford to keep him on the travel team. His dad runs a diner and makes enough to cover the bills, but there isn ' t enough to cover any extras. So Jalen decides to take matters into his own hands and he sneaks into the home of the New York Yankee ' s star second baseman, James Yager, and steals a couple of balls from his personal batting cage. He knows that if he can sell them, he ' ll be able to keep himself on the team. But like the best-laid plans—or in this case the worst!—Jalen ' s scheme goes wrong when Yager catches him. But Jalen has a secret: his baseball genius. He can analyze and predict almost exactly what a pitcher is going to do with his next pitch. He can ' t quite explain how he knows, he just knows. And after proving to Yager that he really can do this, using a televised game and predicting pitch after pitch with perfect accuracy, the two agree to a deal. Jalen will help Yager out of his batting slump and Yager won ' t press charges. However, when he begins to suspect that the team ' s general manager has his own agenda, Jalen ' s going to need his friends and his unusual baseball talent to save not only Yager ' s career, but his own good name.

Inspired by Derek Jeter ' s own life, *Fair Ball* is the fourth middle grade novel in the New York Times bestselling Jeter Publishing Program and focuses on the theme “ the world isn ' t always fair. ” Life isn ' t always fair. You can ' t control that, but you can control how you think and act when things don ' t go your way. You have to hang in there and keep after it, not get down and give up. Derek has a lot to look forward to. School is almost out, his baseball team is competing in the Westwood Little League Playoffs, and then he ' ll head to his grandparents ' house for the summer. Sure, there are finals to study for first, but Derek doesn ' t mind. Maybe this year he ' ll get better grades than Gary. But when his best friend Dave starts to act strangely, ignoring Derek and canceling their plans, his summer isn ' t looking quite so fun. What ' s going on? Doesn ' t he want to be Derek ' s friend anymore? Derek is so distracted by his problems with Dave that he makes a mistake in the outfield during a key play—and his team loses the game. It ' s so unfair! With the championship at stake and finals looming, Derek needs to stay focused or risk everything.

In the seventh book in the New York Times bestselling middle grade series inspired by the life of iconic New York Yankee Derek Jeter, young Derek and his friends learn the true meaning of teamwork when they have to embrace the unexpected on their baseball team. At the first practice of the season, Derek takes note of who is on the team. They have some good players, for sure—but also some weaker ones. There ' s still one kid missing, and Derek hopes it ' s a really good ballplayer to round out the roster. But when the kid arrives, everyone is shocked: she ' s a girl! Can Derek ' s team come together to have a winning season? Inspired by Derek Jeter ' s childhood, this is the seventh book in Jeter Publishing ' s New York Times bestselling middle grade baseball series that focuses on key life lessons from Derek Jeter ' s Turn 2 Foundation.
