not the mother of the child. Both acts are directed at the good moral object of giving life to an innocent and very young human person.

Embryo Adoption: a moral option for infertile Catholic spouses

Critics argue that the administration is using

Read Free The Ethics Of

the embryo adoption program to confer upon the embryo the rights of a fully developed person, as if it were a baby.

Much of this argument stems from the use of the term "adoption."

How, critics argue, can one "adopt" a 6-celled embryo as if it were the equivalent of a child?
