In "'The Flowers,'" a short story by Alice Walker, Myop is a 10-year-old daughter of sharecroppers. She happily tours places around the farm as if she hasn't a care in the world. The first two...

Short fiction about the female experience from the New York Times–bestselling author of *The Color Purple*, "one of the best American writers of today" (*The Washington Post*). Here are stories of women traveling with the weight of broken dreams, with kids in tow, with doubt and regret, with memories of lost loves, with lovers who have their own hard pasts and hard edges. Some from the South, some from the North, some rich and some poor, the characters that inhabit *In Love & Trouble* all seek a measure of self-fulfillment, even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of love brings hope to even the most harrowing lives. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

A poem that captures the wonderful interaction between nature and humans with such verses as "There is a sky at the end of my eye seeing me" and "There is a sunrise at the edge of my skin praising me."

A poetry collection of "playful and crooning lyricism" from the National Book Award– and Pulitzer Prize–winning author of *The Color Purple* (*Booklist*). In this dazzling new collection, Alice Walker offers over sixty new poems to incite and nurture contemporary activists. Hailed as a "lavishly gifted writer," Walker imbues her poetry with evocative images, fresh language, anger, forgiveness, and profound wisdom (*The New York Times*). Casting her eye toward history, politics, and nature, as well as to world figures such as Jimmy Carter, Gloria Steinem, and the Dalai Lama, she "distills struggles, crises, and tragedies down to bright, singing lessons in living with awareness and joy" (*Booklist*). By attentively chronicling the conditions of human life today, Walker shows, as ever, her deep compassion, profound spirituality, and necessary political commitments. The poems in *The World Will Follow Joy* remind us of our human capacity to come together and take action, even in our troubled political times. "Her spirituality, concern for human rights, and almost old-fashioned, determined joyousness run deep and her devoted readers will want to follow her as she turns 'madness into flowers'" (*Library Journal*).

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

READING AND WRITING FICTION provides an introduction to writing and an introduction to fiction with an

anthology of eight-six stories.

National Book Award Finalist: The love poems of an author caught up in a hopeful and sometimes violent upheaval. When Alice Walker published her second collection of poems in 1976, she had spent the previous decade deeply immersed in the civil rights movement. In these verses are her most visceral reactions to a moment in history that would shape the country, and that she herself influenced through words and advocacy. In hymns to ancestors, passionate polemics, and laments for lost possibilities, Walker addresses the problems of the past while keeping an eye on the possibilities of the future. Even in the midst of the call for change, these poems reveal a deep yearning for individual connection to others, as well as a deeply personal connection to nature. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

The lives of two sisters--Nettie, a missionary in Africa, and Celie, a southern woman married to a man she hates--are revealed in a series of letters exchanged over thirty years

The Pulitzer Prize-winning author of *The Color Purple*, *Possessing the Secret of Joy*, and *The Temple of My Familiar* now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In *Now Is the Time to Open Your Heart*, Alice Walker has created a work that ranks among her finest achievements: the story of a woman's spiritual adventure that becomes a passage through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and deep feeling that are its author's hallmarks, *Now Is the Time to Open Your Heart* is Alice Walker's most surprising achievement.

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.

A suicidal father looks to an older neighbor -- and the Cookie Monster -- for salvation and sanctuary as his life begins to unravel. A man seeking to save his estranged, drug-addicted brother from the city's underbelly confronts his own mortality. A chess match between a girl and her father turns into a master class about life, self-realization, and pride: "Now hold on little girl.... Chess is like real life. The white pieces go first so they got an advantage over the black pieces." These are just a few glimpses into the world of the residents of the fictional town of Cross River, Maryland, a largely black settlement founded in 1807 after the only successful slave revolt in the United States. Raw, edgy, and unrelenting yet infused with forgiveness, redemption, and humor, the stories in this collection explore characters suffering the quiet tragedies of everyday life and fighting for survival. In *Insurrections*, Rion Amilcar Scott's lyrical prose authentically portrays individuals growing up and growing old in an African American community. Writing with a delivery and dialect that are intense and unapologetically current, Scott presents characters who dare to make their own choices -- choices of kindness or cruelty -- in the depths of darkness and hopelessness. Although Cross River's residents may be halted or deterred in their search for fulfillment, their spirits remain resilient -- always evolving and constantly moving.
