The Grail Quest is a historical fiction novel series written by Bernard Cornwell dealing with a 14th-century search for the Holy Grail, around the time of the Hundred Years' War. The stories follow the adventures of the fictional Thomas of Hookton as he leaves Dorset after the murder of his father and joins the English Army under Edward III as an archer.

[The Grail Quest—Wikipedia](#)

Grail Quest The first book of the series is Harlequin , unless you live in the United States where the book, to my considerable annoyance, was retitled as The Archer's Tale . Which is not a particularly bad title, but I hate it when publishers do that.

Review: . Heretic is the third book in Bernard Cornwell's much-acclaimed Grail Quest series, a series that many were initially cautious about because it represented something of a change of pace for the master historical novelist. But Cornwell quickly demonstrated that this period of history was well within his remit, and the sequence has proved to be among his most mesmerising work.

From New York Times bestselling author Bernard Cornwell, the first book in the Grail Series—the spellbinding tale of a young man, a fearless archer, who sets out wanting to avenge his family's honor and winds up on a quest for the Holy Grail. A brutal raid on the quiet coastal English village of Hookton in 1342 leaves but one survivor: a young archer named Thomas. On this terrible dawn, his purpose becomes clear—to recover a stolen sacred relic and pursue to the ends of the earth the murderous black-clad knight bearing a blue-and-yellow standard, a journey that leads him to the courageous rescue of a beautiful French woman, and sets him on his ultimate quest: the search for the Holy Grail.

Bernard Cornwell's bestselling Grail Quest Trilogy in one complete eBook for the first time. Follow the famed archer Thomas of Hookton as he avenges his father's death and retrieves a stolen relic.

In the flames of unceasing war, a young archer's heart, will, and courage will be supremely tested in the conclusion of an epic quest for vengeance and the greatest prize in all history: The Holy Grail.

It was the time when the English came across the Channel to take the battle to the French.

From New York Times bestselling author Bernard Cornwell, the sequel to The Archer's Tale—the spellbinding tale of a young man, a fearless archer, who sets out wanting to avenge his family's honor and winds up on a quest for the Holy Grail. In 1347, a year of conflict and unrest, Thomas of Hookton returns to England to pursue the Holy Grail. Among the flames of the Hundred Years War, a sinister enemy awaits the fabled archer and mercenary soldier: a bloodthirsty Dominican Inquisitor who also seeks Christendom's most holy relic. But neither the horrors of the battlefield nor sadistic torture at the Inquisitor's hands can turn Thomas from his sworn mission. And his thirst for vengeance will never be quenched while the villainous black rider who destroyed everything he loved still lives. "Cornwell writes the best battle scenes of any writer I've read past or present."—George R.R. Martin

On the eve of the Quest for the Holy Grail, every adult in King Arthur's castle falls into an enchanted sleep. The future of Camelot rests on the shoulders of fourteen-year-old squire Gerard, who has dreamed of becoming a Knight of the Round Table his whole life. With the help of Newt, the stable boy, and Ailis, a young maidservant, he must face terrible dangers, including a monstrous bridge troll, a wise and scheming dragon -- and finally, a dark, powerful force that will stop at nothing to destroy King Arthur, the knights, and the entire realm of Camelot.

Bernard Cornwell, the "master of martial fiction" (Booklist), brings Thomas of Hookton from the popular Grail Quest series into a new adventure in 1356, a thrilling stand-alone novel. On September 19, 1356, a heavily outnumbered English army faced off against the French in the historic Battle of Poitiers. In 1356, Cornwell resurrects this dramatic and bloody struggle—one that would turn out to be the most decisive and improbable victory of the Hundred Years' War, a clash where the underdog English not only the captured the strategic site of Poitiers, but the French King John II as well. In the vein of Cornwell's bestselling Agincourt, 1356 is an action-packed story of danger and conquest, rich with military strategy and remarkable characters—both villainous and heroic—transporting readers to the front lines of war while painting a vivid picture of courage, treachery, and combat.

After surviving a vicious attack on his village in 1343, archer Thomas of Hookton joins the army of King Edward III as he prepares to invade France, but his search for vengeance takes him on a quest for the Holy Grail.

Explore a truly astonishing range of interests, philosophies, religions, and cultures -- from alchemy to angels, Buddhism to Hinduism, myth to magic. The distinguished authors bring a wealth of knowledge, visionary thinking, and accessible writing to each intriguing subject in these lavishly illustrated, large-format paperback books.
