The Vita Christi of Ludolph of Saxony, fourteenth-century Carthusian, is the most comprehensive series of meditations on the life of Christ from the late Middle Ages. Ludolph assembles a wealth of commentary from the fathers of the church and the great medieval spiritual writers and weaves them into a seamless exposition of the Gospel. This is the full English translation of this classic work and, while it will be of great interest to students of Christian spirituality, it is intended for ordinary believers seeking to enter more deeply into the meaning of the life of Christ.
