The New Inductive Study Series - Kay Arthur ...

Answer: Inductive Bible study is an approach to God's Word focusing on three basic steps that move from a focus on specific details to a more general, universal principle. Through these three steps, we apply inductive reasoning, which is defined as the attempt to use information about a specific situation to draw a conclusion.

Inductive Bible Study is a way of working with the Bible that is intentional in trying to hear the message of the Bible on its own terms. It involves a movement from looking at the evidence in and around the biblical text (evidential premises) to conclusions regarding the meaning of passages and books (inferences).
