~~The Private Life of Edward IV:  
Ashdown Hill, John ...~~

I found his book very interesting as it discussed all the private relationships that Edward IV had throughout his life, with his parents, siblings and marriage(s) depending on what you believe. However, most of the book referred to Eleanor Talbot, This book focuses on Edward IV, the eldest son of Richard, Duke of York; the eldest brother of George, Duke of Clarence and the infamous Richard III.

The Private Life of Edward IV. From the moment it became public news, the validity of Edward's marriage to Elizabeth Widville, the beautiful widow of a Lancastrian knight, was repeatedly called in to question. This alarmed Elizabeth Widville and led her into political killings. She was terrified that she would lose her crown and that her children by the king would never succeed to the throne.

King Edward IV is remembered by many for his role in the Wars of the Roses, the 30-year struggle between the Houses of Lancaster and York for the English throne, and for his relationship with Elizabeth Woodville. Here, historian John Ashdown-Hill re-examines what is known about the private life of the monarch, from his possible bigamy to secret same-sex intimacies, and questions many "facts ...

keeping this knowledge alive and relevant.

A new biography of William Shakespeare that explores his private life in Stratford-upon-Avon, his personal aspirations, his self-determination, and his relations with the members of his family and his neighbours. The Private Life of William Shakespeare tells the story of Shakespeare in Stratford as a family man. The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge. It reconsiders clusters of evidence

## Acces PDF The Private Life Of Edward Iv

that have been held to prove some persistent biographical fables. It also shows how the histories of some of Shakespeare's neighbours illuminate aspects of his own life. Throughout, we encounter a Shakespeare who consciously and with purpose designed his life. Having witnessed the business failures of his merchant father, he determined not to follow his father's model. His early wedding freed him from craft training to pursue a literary career. His wife's work, and probably the assistance of his parents and brothers, enabled him to make the first of the property purchases that grounded his life as a gentleman. With his will, he provided for both his daughters in ways that were

## Acces PDF The Private Life Of Edward Iv

suitable to their circumstances; Anne Shakespeare was already protected by dower rights in the houses and lands he had acquired. His funerary monument suggests that the man of 'small Latin and less Greek' in fact had some experience of an Oxford education. Evidences are that he commissioned the monument himself.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE BOSTON GLOBE This richly entertaining biography chronicles the eventful life of Queen Victoria's firstborn son, the quintessential black sheep of Buckingham Palace, who matured into as wise and effective a

## Acces PDF The Private Life Of Edward Iv

monarch as Britain has ever seen. Granted unprecedented access to the royal archives, noted scholar Jane Ridley draws on numerous primary sources to paint a vivid portrait of the man and the age to which he gave his name. Born Prince Albert Edward, and known to familiars as "Bertie," the future King Edward VII had a well-earned reputation for debauchery. A notorious gambler, glutton, and womanizer, he preferred the company of wastrels and courtesans to the dreary life of the Victorian court. His own mother considered him a lazy halfwit, temperamentally unfit to succeed her. When he ascended to the throne in 1901, at age fifty-nine, expectations were low. Yet by the time he died nine years

## Acces PDF The Private Life Of Edward Iv

later, he had proven himself a deft diplomat, hardworking head of state, and the architect of Britain's modern constitutional monarchy. Jane Ridley's colorful biography rescues the man once derided as "Edward the Caresser" from the clutches of his historical detractors. Excerpts from letters and diaries shed new light on Bertie's long power struggle with Queen Victoria, illuminating one of the most emotionally fraught mother-son relationships in history. Considerable attention is paid to King Edward's campaign of personal diplomacy abroad and his valiant efforts to reform the political system at home. Separating truth from legend, Ridley also explores Bertie's relationships with the women in

## Acces PDF The Private Life Of Edward Iv

his life. Their ranks comprised his wife, the stunning Danish princess Alexandra, along with some of the great beauties of the era: the actress Lillie Langtry, longtime “royal mistress” Alice Keppel (the great-grandmother of Camilla Parker Bowles), and Lady Randolph Churchill, mother of Winston. Edward VII waited nearly six decades for his chance to rule, then did so with considerable panache and aplomb. A magnificent life of an unexpectedly impressive king, *The Heir Apparent* documents the remarkable transformation of a man—and a monarchy—at the dawn of a new century. Praise for *The Heir Apparent* “If [*The Heir Apparent*] isn’t the definitive life story of this fascinating figure of

engaging writer, good at prising out those humanising details that make the past alive to us.' The Observer 'Fascinating, detailed account of the everyday reality of the royals... This is a book of rich scholarship.' Daily Mail 'Tracy Borman's passion for the Tudor period shines forth from the pages of this fascinatingly detailed book, which vividly illuminates what went on behind the scenes at the Tudor court.' Alison Weir 'I do not live in a corner. A thousand eyes see all I do.' Elizabeth I The Tudor monarchs were constantly surrounded by an army of attendants, courtiers and ministers. Even in their most private moments, they were accompanied by a servant

## Acces PDF The Private Life Of Edward Iv

specifically appointed for the task. A groom of the stool would stand patiently by as Henry VIII performed his daily purges, and when Elizabeth I retired for the evening, one of her female servants would sleep at the end of her bed. These attendants knew the truth behind the glamorous exterior. They saw the tears shed by Henry VII upon the death of his son Arthur. They knew the tragic secret behind 'Bloody' Mary's phantom pregnancies. And they saw the 'crooked carcass' beneath Elizabeth I's carefully applied makeup, gowns and accessories. It is the accounts of these eyewitnesses, as well as a rich array of other contemporary sources that historian Tracy
