the Ages, Robert Collier (Complete Audiobook) Robert Collier Letter Book #008

The Robert Collier Letter Book
The Robert Collier Letter Book is essential reading for any aspiring copywriter or marketer. I was very excited to see it is back in print. Unfortunately, this edition has clearly been digitally scanned from an old version, and is littered with typos, random carriage returns and poor formatting. I would go as far as to say it is unreadable.

Boring but Useful This book is about how to properly write copy, from the perspective of a man who has successfully sold millions of dollars worth of products using these techniques. The Robert Collier Letter book starts with the author outlining the core principles of copywriting: 1. The Opening: Get the attention of your target reader by establishing contact with what he's already interested in, and the emotions that he's likely to be preoccupied with.

If you're looking to buy Robert

Where To Download The Robert Collier Letter Book

Collier's Letter Book, don't buy this one (blue cover edition published by Important Books, 2013). It reads like it was slapped together by somebody who doesn't care about the material or the reader. My 11-year-old granddaughter could have done a better job of typesetting. There are no page numbers.
