Just when everything seems to be going wrong, hope—and love—can appear in the most unexpected places. Summer has begun, the beach beckons—and Francesca Schnell is going nowhere. Four years ago, Francesca's little brother, Simon, drowned, and Francesca's the one who should have been watching. Now Francesca is about to turn sixteen, but guilt keeps her stuck in the past. Meanwhile, her best friend, Lisette, is moving on—most recently with the boy Francesca wants but can't have. At loose ends, Francesca trails her father, who may be having an affair, to the local country club. There she meets four-year-old Frankie Sky, a little boy who bears an almost eerie resemblance to Simon, and Francesca begins to wonder if it's possible Frankie could be his reincarnation. Knowing Frankie leads Francesca to places she thought she'd never dare to go—and it begins to seem possible to forgive herself, grow up, and even fall in love, whether or not she solves the riddle of Frankie Sky.

"[An] absorbing novel that will appeal to fans of Rainbow Rowell." —Booklist "A poignant and carefully crafted story." —School Library Journal "A gorgeous, sad, funny, and wise book about letting go and finding your place in the world." —Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* Parker struggles to reconnect with her twin brother, Charlie—who's recovering from cancer—as she tries to deal with her anxiety about the future in this powerful new novel. Twins Parker and Charlie are polar opposites. Where Charlie is fearless, Parker is careful. Charlie is confident while Parker aims to please. Charlie is outgoing and outspoken; Parker is introverted and reserved. And of course, there's the one other major difference: Charlie got cancer. Parker didn't. But now that Charlie is officially in remission, life couldn't be going better for Parker. She's landed a prestigious summer internship at the hospital and is headed to Harvard in the fall to study pediatric oncology—which is why the anxiety she's felt since her Harvard acceptance is so unsettling. And it doesn't help that her relationship with Charlie has been on the rocks since his diagnosis. Enter Finn, a boy who's been leaving strange graffiti messages all over town. Parker can't stop thinking about those messages, or about Finn, who makes her feel free for the first time: free to doubt, free to make mistakes, and free to confront the truth that Parker has been hiding from for a long time. That she keeps trying to save Charlie, when the person who really needs saving is herself.

She quits jazz band and orchestra, slacks in school, and falls for bad-boy Dave. But one person won't let Daisy forge who she used to be: Irish exchange student and brilliant musician Cal. Does she want the bad boy or the prodigy? Should she side with her parents or protect her brother? How do you know when to hold on and when—and how—to let go? "The Sound of Letting Go is deeply moving, fiercely honest, and always surprising. Stasia Ward Kehoe's characters are so real and complex, you won't want to let them go at the end. I loved this book!" —Barbara Dee, author of *Solving Zoe*, *This is Me From Now On*, *Just Another Day in My Insanely Real Life*, and *Trauma Queen* "Achingly beautiful. The Sound of Letting Go takes readers down a dangerous path while touching the heart and encouraging hope." —Elana Johnson, author of *Possession*, *Surrender*, and *Abandon* "Told in verse that is at once delicate and strong, lyrical and honest, Stasia Kehoe's *The Sound of Letting Go* is a moving contemporary story of the intense push and pull between the responsibility of family and the freedom of dreams." —Jessi Kirby, author of *Moonglass*, *In Honor*, and *Golden* "With captivating verse and a lyrical love story to match. The Sound of Letting Go will keep you hanging on, breathless and enchanted, until the very last page." —Gretchen McNeil, author of *Possess*, *Ten* and the forthcoming *3:59* and the "Don't Get Mad" series "Soulful and stunning, this book has captured my heart. The music of Stasia Kehoe's beautifully flawed characters will resonate in your mind long after you finish reading her book." —Elise Allen, author of *Poplazzi*, co-author of the *Elixir* series with Hilary Duff
