King Severn as a prisoner, winning favor with the stormy monarch by masquerading as a boy truly blessed by the Fountain. Nine years hence, the once-fearful Owen has grown into a confident young man...

A Wall Street Journal bestseller Owen Kiskaddon first came to the court of the formidable King Severn as a prisoner, winning favor with the stormy monarch by masquerading as a boy truly blessed by the Fountain. Nine years hence, the once-fearful Owen has grown into a confident young man, mentored in battle and politics by Duke Horwath and deeply in love with his childhood friend, the duke's granddaughter. But the blissful future Owen and Elysabeth Mortimer anticipate seems doomed by the king's machinations. A pretender to Severn's throne has vowed to seize the crown of Kingfountain. But Severn means to combat the threat by using Elysabeth as bait to snare the imposter--and forcing Owen, as a pawn in the dangerous charade, to choose between duty and devotion. With poisoners and spies circling ominously, and war looming on the horizon, Owen must make painful sacrifices to beat back the advancing shadows of death and disaster. Will Owen's conflicted heart follow the king's path or will he risk everything for love?

King Severn Argentine's fearsome reputation precedes him: usurper of the throne, killer of rightful heirs, ruthless punisher of traitors. Attempting to depose him, the Duke of Kiskaddon gambles...and loses. Now the duke must atone by handing over his young son, Owen, as the king's hostage. And should his loyalty falter again, the boy will pay with his life. Seeking allies and eluding Severn's spies, Owen learns

to survive in the court of Kingfountain. But when new evidence of his father's betrayal threatens to seal his fate, Owen must win the vengeful king's favor by proving his worth--through extraordinary means. And only one person can aid his desperate cause: a mysterious woman, dwelling in secrecy, who truly wields power over life, death, and destiny.

Before she befriended a frightened young boy in the palace of Kingfountain, Ankarette Tryneowy grew up during the shattering civil war that raged between members of the Argentine family. This is the story of how the only daughter of a lawyer and a midwife became the famed Queen's Poisoner. Recruited by King Eredur's ambitious uncle, Ankarette is thrown into a world of double dealing, deception, and tangled loyalties. With the help of her mentor and friend, Sir Thomas, she must learn to trust her instincts and remember that others will not always be loyal, even when they are of the same blood. But involving herself in the machinations of the realm draws the eye of an enemy more dangerous than kings or dukes. How will she navigate the politics of the realm and the desires of her heart to become the woman she needs to become?

An abandoned child becomes a singular inspiration to the mythology of Muirwood in an epic series by Jeff Wheeler, Wall Street Journal bestselling author of the Muirwood and Kingfountain novels. Eilean was born a "wretched"--a lowly foundling raised by the Aldermaston of Tintern Abbey. Then she's chosen to assist in establishing the new abbey of Muirwood, now the site of a castle in the swamps of Bearden Muir. Eilean's role is as night servant to the druid Mordaunt, the king's exiled advisor--and prisoner. He's clever, dangerous, and invaluable to the Aldermaston. Mordaunt's priceless secret: the hiding place of an ancient tome that reveals the existence of other worlds and the magic between them.

Mordaunt knows how potent its words are and how dangerous they could be in the wrong hands. But can Eilean win him over? All she must do is gain Mordaunt's confidence and trust and persuade the apostate to divulge his secret to her. But as she learns more from Mordaunt, Eilean's loyalties begin to fray. And the risks are greater than she imagined. Despite betrayals, deceptions, and the deadly motivations of others, a girl from the flax fields is about to rise above her station. By exploring the potential of the power of an ancient spoken magic, Eilean is coming into her own.

From an stunning new voice in fantasy comes the debut novel *Landmoor*. Thealos Quickfellow, a Shae from Avisahn, has left his homeland to face a danger threatening his people - a danger that exists near the fortress of Landmoor.

Discover the beginnings of the Quantum Evolution with *The House of Styx*, the start of a groundbreaking new series set 250 years before *The Quantum Magician*. Life can exist anywhere. And anywhere there is life, there is home. In the swirling clouds of Venus, the families of la colonie live on floating plant-like trawlers, salvaging what they can in the fierce acid rain and crackling storms. Outside is dangerous, but humankind's hold on the planet is fragile and they spend most of their days simply surviving. But Venus carries its own secrets, too. In the depths, there is a wind that shouldn't exist. And the House of Styx wants to harness it. "Künsken's vivid worldbuilding is a knockout... This is a must-read" – Publishers Weekly, starred review "An audacious con job, scintillating future technology, and meditations on the nature of fractured humanity" - Yoon Ha Lee on *The Quantum Magician* "Technology changes us—even our bodies—in fundamental ways, and Künsken handles this wonderfully" - Cixin Liu on *The Quantum Magician* "Künsken has a wonderfully ingenious imagination." – Adam
