The main West Wing sets took up two sound stage buildings at Warner Brothers Studios in Burbank, CA. The primary sets - the "first floor" of the White House, containing The Oval Office, Roosevelt Room, lobby, bullpens and offices of the main cast - were built on stage 29. Other areas of the White House we

How was the set of 'The West Wing' made? Additionally ...
The West Wing is an American serial political drama television series created by Aaron Sorkin that was originally broadcast on NBC from September 1999 to May 2006. The series is set primarily in the West Wing of the White House, where the Oval Office and offices of presidential senior staff are located, during the fictitious Democratic administration of Josiah Bartlet.

The West Wing - Wikipedia
The Bartlett West Wing . NBC's The West Wing provided millions with a look into the Bartlett administration White House and its West Wing in particular. But, as interesting and instructive as it is, the The West Wing's West Wing is not especially accurate in its layout when compared to the real West Wing.. This page documents the television show's version of the West Wing, with images from the ...

The West Wing of The West Wing - White House
Aretsuya. The West Wing is probably one of the best TV shows ever broadcast in the US. This particular set is great in that in addition to having the typical DVD set extras (commentaries and the like), it also has a copy of the pilot episode script and the DVD packaging mimics government file folders. Finally, the cherry on the top for me was that I got it on sale for ~\$60.

West Wing - Seasons 1-7 Box Set - DVD Collections
Aaron Sorkin, Writer: The West Wing. Aaron Sorkin grew up in Scarsdale, a suburb of New York City where he was very involved in his high school drama and theater club. After graduating from Syracuse University with a Bachelor of Fine Arts in Theater, Sorkin intended to pursue a career in acting. It took him only a short time to realize that his true love, and his true talent, lay in ...

An anthology of quotes and essays regarding the impact of "The West Wing" on the lives on the personal, professional, relational, spiritual, and creative lives of its fans.

First-time publication of 8 full scripts from the hit NBC showwinner of 9 Emmy Awards, including Best Drama writingslected and introduced by the acclaimed show creator and screenwriter of The American President and A Few Good Men. Here is the first collection of scripts from the show's first two seasons, including the Emmy Award-winning episode "In Excelsis Deo." The NBC show, named "TV Show of the Year" by Entertainment Weekly, stars Rob Lowe, Dule Hill, Allison Janney, Janel Moloney, John Spencer, Richard Schiff, Bradley Whitford, and Martin Sheen. Reviewers and fans of The West Wing agree that one of the very best aspects of this series is its writing, which blends an unstoppable sense of urgency with strong character development against the background of the day-to-day activities of the highest office in the country. In this book, readers can revisit their favorite episodes, following the fictional American President Bartlet and his key White House staff, his family, and the press as they deal with the urgencies of the moment. As compelling to read as they are to watch, these scripts represent the most complete source for the writers' and creators' visions. 20 b/w photos.

Presents eight teleplays selected from the third and fourth seasons of "The West Wing."

Looks at the popular television program "The West Wing" providing information on the cast and crew, commentary from political observers, and an episode guide to the first two seasons.

With its fast and furious dialogue, crackling wit, and political savvy, The West Wing became appointment TV for millions during its seven-season run between 1999 and 2006. The behind-the-scenes ensemble drama about Washington politics premiered on the wake of the Monica Lewinsky scandal, was the first series to respond to the 9/11 terrorist attacks, and concluded in the closing years of the Bush administration. Its subject matter was ambitious and germane, its cast star-studded, its production team acclaimed. In this volume, Janet McCabe explores The West Wing as both a space for political and social discourse and a force that reshaped contemporary television. McCabe begins by examining the series' broadcasting history, including its scheduling in the United States and around the world, and how the show defines channels and television markets. McCabe goes on to explore the role of the show's creator Aaron Sorkin as a TV auteur and investigates the program's aesthetic principles, including the distinctive look, feel, and sounds of the series. McCabe concludes by considering the political discourse of The West Wing, as the show spoke back to a U.S. culture divided by politics, race, and gender as well as the trauma of 9/11 and anxieties over terrorism and the wars in Iraq and Afghanistan. McCabe's analysis of The West Wing provides an intriguing look at the institutional, formal, and cultural politics of television. Fans of the series as well as students and teachers of television history will enjoy this detailed volume.

Fandom is generally viewed as an integral part of everyday life which impacts upon how we form emotional bonds with ourselves and others in a modern, mediated world. Whilst it is inevitable for television series to draw to a close, the reactions of fans have rarely been considered. Williams explores this everyday occurrence through close analysis of television fans to examine how they respond to, discuss, and work through their feelings when shows finish airing. Through a range of case studies, including The West Wing (NBC, 2000-2006), Lost (ABC 2004 -2010), Buffy the Vampire Slayer (1997-2003), Doctor Who (BBC 1963-1989; 2005-), The X-Files (FOX, 1993-2002), Firefly (FOX, 2002) and Sex and the City (HBO, 1998-2004), Williams considers how fans prepare for the final episodes of shows, how they talk about this experience with fellow fans, and how, through re-viewing, discussion and other fan practices, they seek to maintain their fandom after the show's cessation.

"A loving and breezy set of essays" on today's most addictive TV shows from "an incisive and hilarious critic" (Slate). Television is not what it once was. Award-winning author and critic Clive James spent decades covering the medium, and witnessed a radical change in content, format, and programming, and in the very manner in which TV is watched. Here he examines this unique cultural revolution, providing a brilliant, eminently entertaining analysis of many of television's most notable twenty-first-century accomplishments and their not always subtle impact on modern society—including such acclaimed serial dramas as Breaking Bad, The West Wing, Mad Men, and The Sopranos and the comedy 30 Rock. With intelligence and wit, James explores a television landscape expanded by cable and broadband and profoundly altered by the advent of Netflix, Amazon, and other cord-cutting platforms that have helped to usher in a golden age of unabashed binge-watching. "James loves television, he loves the winding stories it tells and that we share them together. Play All is a late love letter to the medium of our lives."—Sunday Times "Large-brained and largehearted, and written with astonishing energy."—The New York Times Book Review "Witty and insightful musing on popular and critically acclaimed series of the past two decades."—Publishers Weekly

Look for 6 compelling new stories every month from Harlequin Special Edition!

From New York Times and Wall Street Journal bestseller M.J. Rose comes a provocative and moving story of a young female architect in post-World War II Manhattan, who stumbles upon a hidden treasure and begins a journey to discovering her mother's life during the fall of the Romanovs. Sophia Moon had always been reticent about her life in Russia and when she dies, suspiciously, on a wintry New York evening, Isobelle despairs that her mother's secrets have died with her. But while renovating the apartment they shared, Isobelle discovers something among her mother's effects—a stunning silver tiara, stripped of its jewels. Isobelle's research into the tiara's provenance draws her closer to her mother's past—including the story of what became of her father back in Russia, a man she has never known. The facts elude her until she meets a young jeweler, who wants to help her but is conflicted by his loyalty to the Midas Society, a covert international organization whose mission is to return lost and stolen antiques, jewels, and artwork to their original owners. Told in alternating points of view, the stories of the two young women unfurl as each struggles to find their way during two separate wars. In 1915, young Sofiya Petrovitch, favorite of the royal household and best friend of Grand Duchess Olga Nikolaevna, tends to wounded soldiers in a makeshift hospital within the grounds of the Winter Palace in St. Petersburg and finds the love of her life. In 1948 New York, Isobelle Moon works to break through the rampant sexism of the age as one of very few women working in a male-dominated profession and discovers far more about love and family than she ever hoped for. In M.J. Rose's deftly constructed narrative, the secrets of Sofiya's early life are revealed incrementally, even as Isobelle herself works to solve the mystery of the historic Romanov tiara (which is based on an actual Romanov artifact that is, to this day, still missing)—and how it is that her mother came to possess it. The two strands play off each other in finely-tuned counterpoint, building to a series of surprising and deeply satisfying revelations.

The actress best known as Santana Lopez on "Glee" reflects on the successes and missteps of her life, urging young women to pursue their dreams and refuse to allow past mistakes to define them.
