Richard Preston's 2007 non-fiction book, The Wild Trees: A Story of Passion and Daring, is a riveting account of California's coastal redwoods—which were thought of as unclimbable at the time—and the daring young men and women who defied the myths surrounding these ancient trees by scaling them.

~~The Wild Trees: A Story of Passion and Daring Summary~~

In The Wild Trees, Richard Preston unfolds the spellbinding story of these young voyagers, who risk everything to explore the redwood canopy, where the massive trees form flying buttresses and cathedral-like structures in the air. They find a vertical Eden of hanging gardens and rare creatures, an untouched paradise where it's possible to stretch hammocks between tree branches and make love 300 feet in the air.
