The Yin Yang complex is well written, however I feel that the author missed a trick here. There is an abundance of negative commentary about banks, war, the church among other subjects. There is very little from a positive uplifting perspective, apart from the exercises given at the end of the chapters.

The Yin Yang Complex: Create success by understanding one---

Yin and yang (or yin-yang) is a complex relational concept in Chinese culture that has developed over thousands of years. Briefly put, the meaning of yin and yang is that the universe is governed by a cosmic duality, sets of two opposing and complementing principles or cosmic energies that can be observed in nature.

What Is the Meaning of Yin and Yang?—ThoughtCo

In Ancient Chinese philosophy, yin and yang is a concept of dualism, describing how seemingly opposite or contrary forces may actually be complementary, interconnected, and interdependent in the natural world, and how they may give rise to each other as they interrelate to one another. In Chinese cosmology, the universe creates itself out of a primary chaos of material energy, organized into the cycles of Yin and Yang and formed into objects and lives. Yin is the receptive and Yang the active pr
