"Behold, I send you forth as sheep in the midst of wolves. Be ye therefore wise as serpents and harmless as doves (Matthew 10:16, KJV).“We don't hear much about wisdom in the modern-day churches and, when we do, we hear little about innocence. This day and age is a time of self-serving religion on its best day, not to mention what it is on the worst of days! This book is designed to bring the body of Christ, especially leaders of any vocation, to learn what it is to be innocent and wise at the same time. There's a very good reason as to why God gave such explicit instruction; it's because He understands that, like Lucifer, we can be the wisest of them all yet allow our wisdom to be corrupted by pride.

"In July 1968, the Mennonite Central Committee (MCC) opened an office in Washington, D.C., for monitoring the actions of the federal government's various branches. Given American Mennonites' long history of noninvolvement in political affairs, this shift toward engagement was dramatic indeed. In this in-depth study, Keith Graber Miller shows how the church's distinctive traditions of pacifism, humility, and service have informed and shaped the nature of its activities in Washington." "Graber Miller argues that Mennonites have both influenced the national policymaking debate and have themselves been influenced by their increasing exposure to it." "Wise As Serpents, Innocent as Doves not only explores the twentieth-century transformations among American Mennonites but illuminates the larger issues of religious lobbying in the nation's capital. Graber Miller suggests that the Mennonites have helped redefine what it means to be a lobbyist. Because the Mennonites' numbers are too few to make them a politically significant force, he argues, their only credibility in Washington lies in an astute and accurate analysis of how the world is and in the integrity of their witness to the truth as they see it."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
