You're Broke Because You Want to Be : How to Stop Getting ...

Larry stops you cold and says you are there because YOU want to be! Ain't that some somethin' somethin'? He says, "Broke is not a condition like being poor. Broke is a situation you find yourself in because you are either underearning or overspending." He also says point blank, "If you didn't want to be broke, you wouldn't be broke."

Corrie McKeague (left) of Dunfermline, Fife, was 23 when he vanished in the early hours of September 24 2016 after a night out in Bury St Edmunds, Suffolk. No trace of him has been found but ...

A no-holds-barred guide to prosperity by a host of Big Spender describes his disadvantaged youth and experience with bankruptcy, sharing his philosophies about personal accountability that enabled him to become a multi-millionaire.

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

Perfect Journal for humble and hard working Women! This would make a fantastic gift for family, friend or coworker

Jones' first book, Who Told You ... You Were Broke, encourages readers to "start speaking life into what appears to be a dead situation." He says, "The title is a play on what God said to Adam when He asked him, 'Who told you you were naked?' I realized that the word of God said, 'I have given you everything that you need,' so who actually told you that you didn't have it? Most people are fine until somebody else points out that they don't have something but it's not about what's in your bank account, it's what's in your heart. Even if your bank account has nothing in it, your heart has millions."

After healing her own unhealthy relationship with money, and transforming her financial disaster into prosperity and security, Karen McCall created a recovery program she has now used for more than twenty years to help individuals, couples, and businesses large and small. In the midst of her money troubles, she saw a need for something other than financial planners, accountants, and credit counselors. These experts could tell her what she should be doing differently, but she needed someone to help her understand the underlying causes of chronic, self-defeating overspending and credit card debt, underearning, and low or no savings. To save herself, she created practical, holistic tools that address these sources of pain and shame. McCall's program supports people as they uncover their deep-seated attitudes about money; provides simple, step-by-step tools for healing areas of physical, emotional, and spiritual deprivation; and teaches skills and strategies for experiencing lasting personal and financial fulfillment even in the midst of economic challenges and reversals.

A motivational speaker takes on entitlement culture, the self-help movement, and political correctness to discuss how to reject victimhood, become more assertive, and take responsibility.

John draws from his experience founding FUBU on a \$40 budget and building it into a \$6 billion brand, to show how being broke can force us to think more creatively, use resources more efficiently, connect with customers more authentically, and come up with those out-of-the-box solutions required to stand out. Drawing on stories from dozens of entrepreneurs who have bootstrapped their way to wealth, he shows how to leverage the power of broke to success.

From America's most trusted financial advisor comes a comprehensive guide to a new and utterly sane financial choice. In Die Broke, you'll learn that life is a game where the loser gives his money to Uncle Sam at the end. There are four steps to the process: Quit Today No, don't tell your boss to shove it...at least not out loud. But in your head accept that from this day on you're a free agent whose number one workplace priority is your personal bottom line. Pay Cash You should be as conscious of spending as you are of saving. Credit should be a rarely used tool for those few times (buying homes and cars) when paying cash is impossible. Don't Retire Your work life should be a journey up and down hills, rather than a climb up a sheer cliff that ends with a jump into the abyss. Die Broke It sounds terrifying, the one intolerable outcome to your financial life. And yet, in truth, dying broke might be your best option for a life without fear: fear of failure and privation now, fear of impoverishment in the long run.

*** REVISED AND UPDATED EDITION *** "This book is a wise investment" Financial Times "A marvellous money manifesto" Helena Morrissey DBE, financier & founder of 30% club One out of three millennials today will never be able to buy their own house.
